# CORPORATE POLICY NO 1.13 PUBLIC QUESTION TIME

- At any Ordinary Council Meeting the public will be able to ask questions relating to a matter involving the regional local government, not just relating to an item on the agenda. Questions asked at a Special Council Meeting or Committee meeting to which the local government has delegated a power or duty can only relate to the purpose of the meeting.
- To provide all members of the public with an equal and fair opportunity to ask questions, persons with multiple questions may be asked after the second question to wait until others have asked questions and then if time permitting may continue to ask further questions. Sub-parts of questions will be counted as a question.

## Submitting Questions

- All questions must be submitted in writing, along with the name and address of the person submitting, **prior to the commencement of the Council Meeting**
- All questions will be registered.
- It is recommended that complex questions requiring research be submitted in writing to the SMRC three (3) working days prior to the Council Meeting in order to allow the SMRC sufficient time to prepare a response
- Written questions can be provided in the following forms:
  - a. Emails sent to [smrc@smrc.com.au](mailto:smrc@smrc.com.au), subject line: "Questions for Council Meeting", two (2) hours before the meeting commence time.
  - b. On the day of Council Meetings, written questions are to be registered and placed in the "Questions Tray" located in the meeting venue. The register will be open thirty (30) minutes prior to the commencement of the Council Meeting.
  - c. Members of the public may submit questions up until the commencement of the Council Meeting, but all questions must be submitted in writing and the details of the person asking the question/s must be added to the Register. SMRC staff will be available at the meeting to assist members of the public in understanding the procedure and submitting questions.
- All questions should not contain defamatory remarks, offensive language or questioning the competency of councillors or employees. Questions should be on the issue rather than on individuals.

## Procedure at Council Meetings

- During the Council Meeting persons who have registered their questions will be the only persons able to speak. The first priority will be given to persons who are asking questions relating to items on the current meeting agenda. The second priority will be given to other questions.
- Where questions are registered, but the person fails to attend the meeting, the question will not be put to the meeting and the CEO is to reply in writing at a time after the meeting.
- The Presiding Member will manage public question time and ensure that each person wishing to ask a question is given a fair and equal opportunity to do so. A person wishing to ask a question should state their name and address before asking the question. If the question relates to an item on the agenda, the item number should also be stated.
- The person should then proceed to ask their questions one at a time. Questions should not include statements or express opinions, nor be offensive or defamatory.
- The presiding member will respond to the question or nominate a relevant person to respond on behalf of the council. Questions may be taken on notice and responded to after the meeting.
